

MADRASSER FOR OFFSHORE

Westnofa Offshore Top mattress: model "Tjeld", height 5 cm.

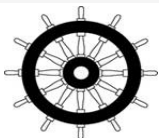

Top mattress for improved sleeping comfort.

This model has a profiled fire-resistant foam core.

The cover is made of Pyroprotex[®] a cotton/polyester fireproof fabric, which is certified for fire class "Crib 5" and Oeko-Tex[®] Standard 100, Class I. It is quilted with fireproof fibre. The cover can be washed at 60 ° C.

The mattress is tested according to the IMO FTP part 9 standard and is WheelMark certified.

The mattress can be used as a topper for all models in this collection.

WheelMark Certification –
Marine Equipment - MED 96/98/EC
